

## Information For Your First Time At Creekside

Welcome to Creekside! If you are a guest today, please use the information card provided to request information about the church. Please include any prayer requests or special needs and place the card in the offering container as it is passed.

### Nursery

As part of the Children's program, a well-staffed nursery is available for infants and toddlers. There is also a parent room available for feeding and changing young babies. Check with a greeter or the Information Center for directions.

### Fellowship Table

Please visit the fellowship table in front of the main entrance, enjoy refreshments and fellowship. We want to meet you!

### Communion Service

CCF celebrates the Lord's Supper each week to center attention upon Christ's sacrifice of His life in order to save humanity. It is an open communion and all followers of Christ are welcome to participate. The bread represents His body, the cup represents His blood. When the bread and cup are passed, please take and hold them for a time of private meditation and partake when ready. When finished, place the cup in the holder on the back of the chair. Those not sharing in the Lord's Supper are encouraged to use this time in silent reflection.

### Time Of Offering

Visitors, please don't feel obligated to give; this observance is for members to give back to the Lord as an expression of thanks.

### Need Prayer?

After each service members of the prayer team are waiting to pray for you at the right front row of seating. We're here for you!
